## EXPERIENCE

### DIVINE COMPUTER INSTITUTE, Lagos Nigeria. — *IT Instructor*

04/2017 - 08/ 2017

I worked with a team of five(5) in this company as an intern.

- Planned 65% of the lessons and activities that facilitate students' acquisition of basic computer skills.

- Also designed and updated all instructional materials for IT programs on a regular basis.

- Gave instructions in a manner that developed the students' confidence in their abilities as computer literate.

- Supervised approximately 50% of the opening and closing of the laboratory, and provide information during a training session in the classroom

- Was also in charge of downloading 2 of 5 important software updates and maintaining hardware.

- Helped ensure that students' systems are in a good state.

### MALIYO GAME DEVELOPMENT BOOTCAMP — *Cell Lead*

08/2021- 12/ 2021

I was assigned to be a cell lead during this five(5) months program

- Organized weekly group meeting to check on the cell members, their achievements so far in the program, challenges faced and receive feedback.
- Was 100% in charge of meeting with the cell mentors that have years of experiences in game development and publishment, fix a convenient time and day for them to have a virtual meeting the cell members

## ABOUT ME

A Computer Scientist and a Software Engineer looking forward to gaining experience in the tech field and developing innovative software. Beyond just writing code, I am knowledgeable in the importance of testing, system analysis and design, and logging. Problem-Solving is one of my major drives to learning.

## TECHNICAL SKILLS

**JavaScript | Python | NodeJS**

**HTML | CSS | React**

**Source-Control | Git | Github**

**SQL | MySQL | MongoDB**

**Unity | C#**

## SOFT SKILLS

- Public Speaking
- Technical writing
- Team Leadership

- Made weekly reports on the wellness and challenges faced by the cell members to the organizers.

- Did 80% of the assignment of tasks to cell members during the project phase.

- Was also tasked with helping cell members get solutions to problems encountered during the course of the program.
